For all ODs: CE and OE Tracker Reporting

As it is a requirement that all CE in Minnesota now be reported to ARBO and OE Tracker, the MOA uses OE Tracker and Scanners. It is the responsibility of the attendee to ensure they have their badge scanned at the end of each class. Or you can now track you CE hours on your iPhone or Android phone by downloading the OE Tracker App using the link [OE Tracker mobile app from ARBO](#)

Also, due to these requirements, anyone that enters a class more than 5 minutes after it begins will NOT be scanned for credit. You can still attend the class; however, you will not be scanned for credit.
